Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 07 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Chilly start to Friday night. Clouding over. Wet on Saturday.

This Evening and Tonight:
Any evening showers soon clearing to leave all areas dry with some clear spells for a time. Turning chilly initially, before cloud increases and thickens from the southwest after midnight. Rain arriving by dawn with strengthening winds. Minimum temperature 2 deg C (36 deg F).

Saturday:
Cloudy and wet with some heavy rain through Saturday morning. Turning drier and feeling milder by afternoon but remaining quite breezy with occasionally strong winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Mostly dry with some sunshine Sunday morning. Feeling rather warm by afternoon however increasing risk of thundery showers moving northwards later. Further showers on Monday and Tuesday and feeling cooler.
